Background:

The Legal 500 has been published for 35 years and is an independent guidebook. Law firms and lawyers are recommended exclusively on the basis of their performance. In-house lawyers are given a comprehensive overview of around 400 commercial law firms and 2700 lawyers in Germany. The analysis covers 23 practice areas and 90 rankings. As part of the research of The Legal 500 Deutschland, hundreds of interviews are conducted with lawyers and more than 23,000 clients are surveyed.
